§ 12

- a) The meeting approved the guidelines for remuneration to management proposed by the board.
- b) The meeting approved, with absolute majority, the reported scope and principles for a performance based personnel stock option plan for 2015.

§ 13

The meeting resolved, with the required qualified majority, in accordance with the board's complete proposal on acquisition of shares in the company and transfer of shares as follows:

- a) The meeting granted a mandate to the board, for a term ending at the close of the next annual general meeting, to resolve to acquire shares in the company on one or more occasions, as follows:

1. Acquisition shall be limited to a maximum of 3,800,000 series A shares.
2. The shares may only be acquired on Nasdaq Stockholm.
3. The shares may only be acquired at a price per share within the registered trading interval, at any given point in time.

The acquisition is made with the intention to limit the financial risk caused by an increase of the share value during the period the performance stock options remain outstanding, to be able to fulfill future delivery obligations under personnel option and matching share agreements, to cover alternative solutions and cash settlements as well as to cover, primarily, social charges.

b) The meeting granted a mandate to the board, for a term ending at the close of the next annual general meeting, to acquire shares in the company on one or more occasions as follows:

1. Acquisition shall be limited to a maximum of 70,000 series A shares.
2. The shares may only be acquired on Nasdaq Stockholm.
3. The shares may only be acquired at a price per share within the registered trading interval, at any given point in time.

The acquisition is made with the intention to hedge the obligation of the company to pay remuneration, including social charges, to board members who have chosen to receive 50% of their remuneration in synthetic shares.

c) The meeting decided to transfer shares in the company in relation to the company's personnel option plan 2015, including the share saving/matching share part, according to the following:

1. A maximum of 3,500,000 series A shares may be transferred. Right to acquire shares is to be granted to the persons participating in the company's proposed performance stock option plan 2015, with a right for each participant to acquire the maximum number of shares stipulated in the terms and conditions of this plan. The participant's right to acquire shares is conditional upon all terms and conditions of the company's performance stock option plan 2015 being fulfilled. Shares are to be transferred on the terms and conditions stipulated by the plan, meaning inter alia, that what is there stated regarding price and time during which the participants are to be entitled to use their right to acquire shares is also applicable to the transfer. Participants are to pay for the shares within the time and on the terms stipulated in the performance stock option plan 2015.
2. With respect to the number of shares that may be transferred under the company's performance stock option plan, customary terms for recalculation as a result of bonus issue, share split, rights issues and similar measures apply in accordance with the terms and conditions of the plan.

As reason for the deviation from the shareholders right of first refusal and as the base for the transfer price in connection with the transfer of own shares, the board states that the transfer of own shares is a part of the proposed performance stock option plan for 2015.

d) The meeting granted a mandate to the board, for a term ending at the close of the next annual general meeting, to sell shares in the company on one or more occasions of a maximum of 30,000 series A shares, to cover the costs of giving a counter value of earlier issued synthetic shares and to, primarily, cover social charges.

Shares proposed to be sold were acquired based on mandates given at the annual general meeting each respective year to acquire the share for the stated purpose. The sale shall take place on Nasdaq Stockholm at a price within the registered price interval at any given time.

As reason for the deviation from the shareholders' right of first refusal and as the base for the price in connection with the sale of own shares, is that the sale of own shares is a part of the previously adopted decision regarding synthetic shares to the board.

e) The meeting voted to grant a mandate to the board for a term ending at the close of the next annual general meeting to sell a maximum of 8,100,000 series A shares and series B shares on one or more occasions to cover costs in connection with the exercise of rights under the performance personnel option plans 2010, 2011 and 2012 and related costs. The costs relate primarily to cash settlements in Sweden, SAR and social costs. The sale shall take place on Nasdaq Stockholm at a price within the registered price interval at any given time.

As reason for the deviation from the shareholders right of first refusal and as the base for the price in connection with the sale of own shares, is that the sale of own shares is an integrated part of the previously adopted performance stock option plans.

§ 14

The meeting resolved, with the required qualified majority, in accordance with the board's complete proposal regarding share split and automatic redemption, including:

a) Share split 2:1

That the shares per quota value (the share capital divided by the number of shares) is changed by way of a share split, so that each existing share (irrespective of the series of shares) is divided into two shares, of which one is to be referred to as redemption share in the VPC-system and be redeemed in the manner described under b) below. Record day at Euroclear Sweden AB ("Euroclear") for the share split was resolved to be May 18, 2015. The last trading day for the company's shares including the right to receive redemption shares will therefore be May 13, 2015 and the first trading day for the company's shares excluding the right to receive redemption shares will be May 15, 2015. After the share split, the number of shares in the company will increase from 1,229,613,104 to 2,459,226,208, of which 1,678,788,192 are series A shares and 780,438,016 are series B shares, each share with a quota value of approximately SEK 0.3196.

b) Reduction of the share capital through redemption of shares of series A and series B

The company's share capital shall be reduced by SEK 393,004,095 (the reduction amount) for repayment to the shareholders and for transfer to the non-restricted equity, to the extent that the reduction of the share capital is implemented by way of redemption of shares held by the company. The reduction will be made by way of redemption of 1,229,613,104 shares, of which 839,394,096 series A shares and 390,219,008 series B shares. The shares so redeemed shall be those shares that, after the share split in accordance with item a) above, are referred to as redemption shares in the VPC-system, whereby the record day for the right to receive

redemption shares according to a) above is May 18, 2015. Trading in the redemption shares is estimated to take place as from May 19, 2015 up to and including June 9, 2015.

For each redeemed share (irrespective of the series of shares) a redemption amount of SEK 6 will be paid, of which approximately SEK 5.68 exceeds the quota value of the share. However, no payment is to be made in respect of redeemed shares held by the company. The total redemption amount is calculated to SEK 7,302,391,548. In addition to the reduction amount, a total estimated amount of SEK 6,909,387,453 will be distributed, by use of the company's non-restricted equity. Record date for the right to receive the redemption amount was resolved to be June 11, 2015. Payment of the redemption amount is estimated to be made by Euroclear on June 16, 2015.

Following the reduction, the company's share capital will amount to SEK 393,004,095 divided on, in total 1,229,613,104 shares, of which 839,394,096 are series A shares and 390,219,008 are series B shares, each share with a quota value of approximately SEK 0.3196. Apart from the reduction of the share capital, the company's restricted shareholders' equity will not be affected.

In its statement pursuant to Chapter 20, Section 13, fourth paragraph of the Swedish Companies Act, the board states the following: the resolution on reduction of the share capital by redemption of shares according to b) above may be implemented without obtaining the Swedish Companies Registration Office's or a general court's permission, since the company at the same time implements a bonus issue according to c) below, as a measure whereby that neither the company's restricted shareholders' equity, nor its share capital will be reduced. The effect of the reduction of the share capital and the bonus issue on the company's restricted shareholders' equity and the share capital is presented, as concerns the reduction, in the preceding paragraph and, as concerns the bonus issue, in c) below.

c) Increase of the share capital through a bonus issue without issuance of new shares
The company's share capital is increased by way of a bonus issue of SEK 393,004,095 to SEK 786,008,190, by a transfer of SEK 393,004,095 from the company's non-restricted equity. No new shares will be issued in connection with the bonus issue.

The number of shares in the company will, after implementation of the increase of the share capital, be 1,229,613,104, of which 839,394,096 are series A shares and 390,219,008 are series B shares, each share with a quota value of approximately SEK 0.6392.

The resolutions by the meeting in accordance with a) – c) above were resolved as one resolution.

The meeting gave the CEO mandate to make minor adjustments regarding the resolutions in this item 14, which may be required to register the shareholders' decisions with the Swedish Companies Registration Office and Euroclear.

§ 15

The meeting resolved with the required qualified majority to change the first sentence of § 10 in the articles of association from "General Meeting of Shareholders shall be held in Stockholm or Nacka." to "General Meeting of Shareholders shall be held in either of the

following municipalities: Stockholm, Nacka, Danderyd, Huddinge, Sollentuna, Solna or Sundbyberg.”. The new articles of association are enclosed hereto in Appendix 2.

§ 16

The Chair thanked the management and employees of the company for very strong performance in 2014 and wished the company continued success during 2015.

The Chair declared the 2015 annual general meeting of shareholders in the company closed.

It was recorded that after the meeting, the “Peter Wallenberg Marketing and Sales Award” and the “John Munck Award” were presented.
