 - Has contributed to about 2% annual revenue growth
- More to come...

Atlas Copco

23 Atlas Copco Capital Markets Day 2013

Atlas Copco to acquire Edwards

Acquisition rationale

- Vacuum is an attractive market segment that fits well with Atlas Copco's growth strategy (to grow in current and adjacent businesses)
- Edwards offers technically advanced solutions, products and services that are critical to the customers' operations
- Edwards serves industries that are well-known to Atlas Copco

Atlas Copco

24 Atlas Copco Capital Markets Day 2013

Vacuum – a growing market

Increasing vacuum intensity

Miniaturization	450 mm transition	New processes	Steel degassing	Lithium Ion batteries
 <ul style="list-style-type: none"> • Moore's law • Next generation technologies 	 <ul style="list-style-type: none"> • Increasing complexity • Consolidation 	 <ul style="list-style-type: none"> • EUV lithography • Advanced packaging 	 <ul style="list-style-type: none"> • New processes • Stronger steels 	 <ul style="list-style-type: none"> • Electric-hybrid vehicle applications
Device proliferation	LED	Wet-to-dry transition	Solar	OLED
 <ul style="list-style-type: none"> • Mobility and connectivity • Electronics as necessity 	 <ul style="list-style-type: none"> • LED and general illumination driving growth 	 <ul style="list-style-type: none"> • Increasing sophistication • Lower power requirements 	 <ul style="list-style-type: none"> • "Green" technology • Multiple technical solutions 	 <ul style="list-style-type: none"> • Significant investment • Hyper growth market

Vacuum Solutions
