The Atlas Copco Organization

What Unites the Atlas Copco Group

The sum of running the parts together must be bigger than the sum of running the parts separately

5 

What Unites the Atlas Copco Group

To underline and reinforce

- A shared vision and a common identity
- The corporate culture and the core values; interaction, commitment and innovation
- The sharing of brands, trademarks and channels to market
- The sharing of assets and infrastructure
- Common processes and shared best practices
- Using common services through internal and external service providers
- Financial and human resources, and their free mobility within the Group
- A common leadership approach

6 

Vision

First in Mind—First in Choice™
