Atlas Copco
Group

Passionate people create exceptional things

Imagine yourself working in a company shaped by endless innovations. When you join Atlas Copco Group, you are given plenty of freedom to follow your ambitions and act as an entrepreneur, surrounded by the stability of a leading company.

As a global organization, we are proud to have a diverse and multi-talented group of people that provides fresh ideas on how to best serve our customers.

With us you get a great deal of responsibility from day one. Why? Because we know that you have the drive and the ability to make sound decisions – and will ask for help when you need it.

We want you to realize your full potential, and will help you get there. Whether you want to change track in your career, become a specialist or a manager – there is an Atlas Copco Group way open for you.

Purpose of the Atlas Copco Group

Why is our innovation and technology needed in the world? What is our impact on society, and where do we go from here? This is described in our common purpose statement, covering all companies and brands. Our purpose is to develop ideas and technologies that empower our customers to grow and drive society forward; this is how we transform the future.

Collaborate, innovate and commit are our company's core values. They guide us in everything we do, including how to fulfill our purpose. When we Innovate, Collaborate closely with customers, and Commit to all stakeholders, we create long-term value and contribute to a better tomorrow.

Join us on a journey of endless opportunities

Join a company with a mission-driven culture
