### Atlas Copco increases the presence in the Middle East

**Stockholm, Sweden, October 19, 2010: Today, Atlas Copco inaugurates an expanded customer center in Dubai, United Arab Emirates.**

The expanded customer center, Atlas Copco Services Middle East OMC, will gather the Group's products and services under one roof and provide a new competence center for sales and service across the United Arab Emirates.

*"With this new customer center in Dubai we create a single point of contact for our customers. It also illustrates our long-term commitment to this region,"* says Stephan Kuhn, Business Area President Atlas Copco Compressor Technique.

The customer center will offer compressed air, gas and process, power generation, construction and mining equipment as well as specialty rental and all related aftermarket service. It will also support offices in Jebel Ali, Abu Dhabi and Ras Al-Khaimah. The customer center will employ approximately 40 people.
