

Atlas Copco acquires U.S. compressor distributor

Stockholm, Sweden, December 22, 2016: Atlas Copco, a leading provider of sustainable productivity solutions, has acquired Air Power of Nebraska Inc., a compressed air distributor in the central United States.

Air Power of Nebraska is based in Omaha, Nebraska, and is servicing the surrounding region, including Nebraska, Iowa and South Dakota. The company sells, installs and services compressed air products and related systems. About a dozen people will join Atlas Copco.

“The solid team at Air Power of Nebraska will be a great asset as we help customers be more productive,” said Nico Delvaux, President of Atlas Copco’s Compressor Technique business area. *“We look forward to strengthening our presence in the region with high-quality products and services.”*

The parties have agreed not to disclose the purchase price.
