

Atlas Copco publishes its Annual Report for 2016

Stockholm, Sweden, March 10, 2017: Atlas Copco, a leading provider of sustainable productivity solutions, has today published its Annual Report for 2016 on the Group's website.

The Annual Report shows Atlas Copco's mission, vision, strategy, structure and governance, how the Group does business as well as its long-term performance. It integrates financial, sustainability and governance information in order to describe the Group in a comprehensive and cohesive manner.

The report demonstrates how Atlas Copco's continued effort to use resources in a responsible way generated record revenues and cash flow. Atlas Copco's ongoing success with innovative energy-efficient products and services is just one example.

The Annual Report can be downloaded from Atlas Copco's website:

<http://www.atlascopcogroup.com/investor-relations/>.

Printed copies will be available at the end of March.
