

Atlas Copco hosts Capital Markets Day 2019

Stockholm, Sweden, November 26, 2019: Atlas Copco today hosts its Capital Markets Day in Brighton UK. The purpose of the event is to give an update on the strategy and development of the Atlas Copco Group and its worldwide operations.

The day will give the participants a more in-depth understanding of the Compressor Technique and Vacuum Technique business areas.

“We innovate with the customer in focus and the future in mind. Our global presence, decentralized operations and closeness to our customers gives us an advantage in terms of being flexible and agile”, said Mats Rahmström, President and CEO of the Atlas Copco Group. “By focusing on our customers’ needs and creating possibilities for our employees to develop professionally we create a culture of innovation and growth”.

The Capital Markets Day includes presentations by Mats Rahmström, President and CEO, Hans Ola Meyer, CFO, Vagner Rego and Geert Follens, Presidents of Compressor Technique and Vacuum Technique Business Areas. The program also includes a tour of innovations showing how we create value for customers.

Mats Rahmström confirms Atlas Copco’s most recent outlook statement, that the demand for Atlas Copco’s products and services is expected to be somewhat lower than the level in the third quarter
