

Updated information about Atlas Copco AB's Annual General Meeting – change of venue and postal voting

Stockholm, Sweden, April 9, 2020: As earlier communicated, Atlas Copco will hold the Annual General Meeting on April 23, 2020. The venue has been changed to Filmstaden Sickla. The company will offer the shareholders postal voting. There is also a possibility for shareholders to appoint a proxy holder.

The venue for the Annual General Meeting has been changed to Filmstaden Sickla, Sickla köpkvarter, Marcusplatsen 19, Nacka. The meeting starts at 16.00, April 23, 2020. The time for when registration starts has been changed to 15.30.

We request all shareholders to give their vote at this year's Annual General Meeting either through postal voting or through the possibility to appoint a proxy holder through Euroclear. A form for postal voting is available at Atlas Copco's web site. The form for issuing a proxy through Euroclear has previously been made available (www.atlascopcogroup.com/arsstamma).

During the current circumstances we want to send a reminder that no refreshments will be served at this year's AGM and that the CEO address will be shortened.

We also want to remind that public gatherings of more than 50 persons are not allowed. A larger amount of people wanting to attend might force us to postpone the AGM.
