

Atlas Copco hosts virtual Capital Markets Day 2021

Nacka, Sweden, May 27, 2021: Atlas Copco today hosts its Capital Markets Day. The day will give the participants a more in-depth understanding of the Compressor Technique business area as well as an update on the strategy and development of the Atlas Copco Group and its worldwide operations.

The Capital Markets Day includes presentations by Mats Rahmström, President and CEO, Hans Ola Meyer, CFO and Vagner Rego, President of the Compressor Technique Business Area.

“We focus on creating value for all our stakeholders”, said Mats Rahmström, President and CEO of the Atlas Copco Group. “This past year, we’ve seen the advantages of our global presence, our ability to adapt and our previous investments in R&D and connectivity”.

Mats Rahmström confirms Atlas Copco’s most recent outlook statement, that although the world’s economic development remains uncertain, Atlas Copco expects that the customers’ business activity level will remain at the high current level.

Presentation material is available at:
