

Atlas Copco has acquired a Southeast Asian distributor

Nacka, Sweden, July 4 2022: Atlas Copco has acquired Bireme Group, a Singapore-based company specialized in the treatment of compressed air and gas.

Bireme Group is a privately owned company with a sales network in Southeast Asia.

The company specializes in the treatment of compressed air and gas for a broad spectrum of industries ranging from electronics, food and beverage, chemical refineries, and hospitals. It is headquartered in Singapore with a service centre in Malaysia and has 20 employees.

“Bireme’s expertise, technical know-how and geographical coverage makes it a good fit for us,” said Vagner Rego, Business Area President Compressor Technique. *“This acquisition will increase our local presence and accelerate business development in the Asia Pacific region.”*

The purchase price is not disclosed.

The company will become part of the Industrial Air division within the Compressor Technique Business Area.
