

Atlas Copco has acquired a compressed air distributor in Poland

Nacka, Sweden, October 17, 2022: Atlas Copco has acquired Vector Sp. z o.o., based in Tarnowo Podgórne, Poland. The company specializes in sales, installation, and service of compressed air systems.

Vector is a privately owned company founded in 1993. It has 23 employees and is located in the city of Tarnowo Podgórne, near Poznań. It serves a wide range of industrial companies in Poland.

“Vector has a strong market recognition in the Polish market, and great expertise,” said Vagner Rego, Business Area President Compressor Technique. “The acquisition will enable us to strengthen our presence in the area.”

The purchase price is not disclosed.

The company will become part of the Service division within the Compressor Technique Business Area.
