

Atlas Copco hosts Capital Markets Day 2022

Nacka, Sweden, November 17, 2022: Atlas Copco hosts its Capital Markets Day for investors and financial journalists today. The purpose is to give an update on the strategy and development of the Atlas Copco Group and its worldwide operations.

The Capital Markets Day will give the participants a more in-depth understanding of the Vacuum Technique and Industrial Technique business areas, and includes presentations by the two Business Area's Presidents as well as Mats Rahmström, President and CEO and Peter Kinnart, CFO. The program also includes an on-site tour of innovations showing how we create value for customers.

"Our focus is on our customers and how we can enable them to grow and transform their businesses for the future, including digitalization and transitioning into a low-carbon economy," said Mats Rahmström, President and CEO of the Atlas Copco Group.

Mats Rahmström confirms Atlas Copco's most recent outlook statement: In the near term, the customers' activity level will weaken somewhat compared to the high level in the third quarter.

The broadcast and presentation material is available at:
