

### Atlas Copco completes acquisition of a US based cryostat manufacturer

**Nacka, Sweden, 21 Nov 2022: Atlas Copco has completed the acquisition of Montana Instruments Corporation, which was announced in August. The company provides cryostat solutions for customers involved in physics research and low temperature technology solutions.**

Montana Instruments Corporation is a privately owned company with 38 employees, located in Bozeman, Montana, USA. In 2021, the company had revenues of approximately MUSD 12 (MSEK 106\*).

The purchase price is not disclosed.

The company will become part of the Scientific Vacuum division within the Vacuum Technique Business Area.

\*Based on the average exchange rate in 2021.
