

Atlas Copco completes acquisition of Chinese manufacturer of liquid ring pumps and systems

Nacka, Sweden, April 5 2023: Atlas Copco has completed the acquisition of the assets of Shandong Bozhong Vacuum Technology Co., Ltd, a company that develops and manufactures liquid ring vacuum pumps and systems.

Shandong Bozhong Vacuum Technology was founded in 2002 and is located in Zhangdian District, Zibo, Shandong province, China. In 2021, they had revenues of approximately 90 MCNY (120 MSEK*). The company has 116 employees, and a broad customer base in the chemical and pharmaceutical industries in China as well as globally.

The purchase price is not disclosed. The acquired business becomes part of the Industrial Vacuum Division within the Vacuum Technique Business Area.

*Based on the average exchange rate in 2021.
