Atlas Copco Group publishes Annual Report for 2023

Nacka, Sweden March 21, 2024: Atlas Copco Group has today published the Annual Report for 2023. A memorable year with record orders, revenues, and operating profit.

"2023 was a year with record orders, record revenues and record operating profit. It was also a celebratory year for us", said Mats Rahmström, President and CEO of Atlas Copco Group. "During a century and a half, we have delivered breakthrough innovations and technologies to customers in many different industries. We used this opportunity not only to look back, but also to focus on how we are shaping the future through investing in research and development and continued value creation for our customers."
