Atlas Copco Group hosts Capital Market Day 2024

Nacka, Sweden, May 16, 2024: Atlas Copco Group hosts its Capital Markets Day in Belgium today. The purpose is to provide a run-through of the strategy and development of the Atlas Copco Group and its worldwide operations.

The Capital Markets Day will provide participants with a more in-depth understanding of the Compressor Technique and Power Technique business areas and include presentations by the two Business Area's Presidents as well as Vagner Rego, President and CEO and Peter Kinnart, CFO.

The first part of the Capital Markets Day will be held in Mechelen and it will also be broadcast live.

The second part of the day is an on-site tour of innovations, showing how Atlas Copco group creates value for customers, held at the Group's premises in Antwerp.

"I very much look forward to today's program, showcasing how we create sustainable, profitable and inclusive growth and how Atlas Copco Group aims to contribute to the energy transition", said Vagner Rego, President and CEO of the Atlas Copco Group.

Vagner Rego confirms the most recent outlook statement, published on April 24, 2024: Atlas Copco Group expects that the customer activity level will remain at the current level.

The broadcast and presentation material is available at:
